The main purpose of the Student Council was to teach good citizenship. The student council became a laboratory of citizenship by teaching students to do the things which a good citizen does.

The 1955-56 council was responsible for campaigns including the March of Dimes, Community Chest, Heart Drive, and Cancer Drive.

Officers were: G. Grogdlo, president; Moss, vice-president; W. DeRolf, secretary; Good, treasurer; Stempkowski, sergeant-at-arms. The sponsors were the coaches.

VARSITY FOOTBALL

Tech's football record was 2 wins, 6 losses, and one tie. The 1955 football season was a satisfactory one, despite the won and loss record, according to Coach Carlson. The reason is that 14 lettermen will be returning next fall, so this season gave the boys a great wealth of experience.

Coach stated the team "was outwitted and outweighed in every contest but they displayed a zest for football and played very interesting ball at all times."

Two of the men on the team were elected to the Hammond Times All-Star Team. They were Tulejo, tackle, and Predo.

B-TEAM FOOTBALL

The Junior Varsity Football Team played a limited schedule of only three games this season.

There were indications that members of the team would be material for the next varsity team.

They opened the season against Clark, being defeated 20-14, were out-classed by Whiting, 46-6, and lost a close contest to Hammond High by 14-6.

Minor awards went to Alanzo, Brooks, Cobb, Harwood, Hendrix, Holclaw, McClung, O'Rourke, Pinkerton, Ritter, Sopyto, Singer, Urbanczyk, Vinson, Volkman, and Woadey.

FRESHMAN FOOTBALL

The Freshman Football Team had a season's record of one win and five losses, the win against Clark and the losses to Whiting, Washington, Morton, Irving, and Hammond High.

Coach Hammond stated, though, that half the boys had never played football before and half were 130 pounds and under in weight.

Freshman award winners were: Blogg, Broglio, Brom, Croyle, Eichen-

seh, Harwood, Hood, Kluberg, Kisbacki, Landers, Murphy, Reach, Sackville, Seelig, Schmidt, Wilson, White, and Hendron.

VARSITY BASKETBALL

"Despite the 6-15 record," stated Coach Beroles, "the Hammond Tech Tigers provided a thrilling basketball season during the 1955-56 school year. Even though they were inexperienced, they gave a fine account of themselves during the entire season."

Returning players will be Yeager, Urbanczyk, Sorbella, Szabo, Montague, Foltz, Day, and Bukowski. Rosenau and Szczudlak were managers.

B-TEAM BASKETBALL

Coach Vieau said, "Tech's 1955-56 B-Team had its most successful season in 15 years. The record was 13 wins and 7 losses, but that is not the most important aspect. Mostly the team consisted of sophomores and five of the seven losses were by two points or less."

They also added a city championship and a win over Gary Roosevelt, B-Team Champions of Gary, to their record.

FRESHMAN BASKETBALL

The 1955-56 Freshman Basketball team won only two games while losing fourteen. The following boys were awarded minor letters: Eaton, Hobli, Lamb, Meyer, Schoot, White, Wilson, and Davis, manager.

BASEBALL

Coach Vieau said, "Next season should be much better than last year. We have lettermen back at most positions." He predicted best hitters should be DeRolf, Petravich, and Garner.

GOLF

Coach Carlson said, "We are still in the process of rebuilding with sophomores Bagnor, Sopyto, and Dash leading the way." Coach feels "that, with these boys coming back and some promising freshmen coming in, we should be in contention for the sectional championship a year or so."

Tech had four lettermen back for the golf team. They were Bagnor, Good, Grogdlo, and Sopyto.

WRESTLING

The Tech wrestlers placed second in a sectional involving nine teams and second in a six team conference meet. The team was composed of mostly first and second year men thus lacking experience and balance.

Major letter winners were Beyer, Jacobs, Croyle, Schmidt, O'Rourke, Boren, Tulejo, Brooks, and Wilson. Those who qualified for a state meet were Beyer, Brooks, and O'Rourke.

TRACK AND FIELD

The 1956 Track and Field team was "green but will improve," said Coach Beroles.

The lettermen were Stempkowski, Crosek, Yeager, Granger, Skish, DeRolf, Galem, Richardson, and Day.

"A bright prospect," said Coach, "is Snorton, a dash and 880 relay man."

CROSSCOUNTRY

This year's crosscountry team had its best season in five years, finishing 13th in the Conference and 5th in the Sectional.

Top man was Mandzlj, a senior; second, Yeager, a sophomore; and third, Skish, a junior and also captain-elect. The lettermen were: Cordell, Dash, Granger, Mandzlj, Millies, Skish, and Yeager.

With six or seven men eligible to return, Coach Vieau says, they "should have a fairly representative team next year if all boys return and do what they are capable of doing."

TENNIS

The tennis team had another undefeated season this year. The record was eight wins and no losses. Wins were two each over Clark, Hammond High, E. C. Roosevelt and E. C. Washington. They were defeated in an East-West playoff 4-1.

The team will lose lettermen Howarth, Halon, and Adney. With five lettermen returning, Coach Parsons predicts, "A Western Division Championship."

MEETING FIRST TUESDAY IN EVERY MONTH AT THE SCHOOL

CONGRATULATES
THE CLASS
OF
1956

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.

Inland Steel Company, 3210 Waukegan St., East Chicago, Ind.

SUCCESS
AND
GOOD LUCK
TO THE CLASS OF '56

Looking ahead we see a bright future
for our country — years of advance-
ment and achievement — with the
youth of today showing us the way.

ACROSS FROM TECH ON CARROLL

The "land o' dance" beckons... Out—just far enough—for the ride to be enchanting... Away from the maddening crowds — where a romantic summertime setting for evening dancing will be a lasting memory. Madura's with its soft lights and refreshing atmosphere, is truly a wonderland for dance-goers.
